

Minutes of the Annual Parish Meeting

Held at 6:00pm on Tuesday 24th May 2022 in the Lower Hall, The Village Centre, New Hill

Present: 5 Residents, Cllr Derek Purcicoe (Chairman of Farnsfield Parish Council) and Vikki Arkell (Parish Clerk & RFO)

1. Welcome from the Chairman
The Chairman of Farnsfield Parish Council welcomed the parishioners to the meeting
2. To approve the minutes of the Annual Meeting held on 28th April 2021
The minutes were approved as accurate
3. The Parishioners were given the opportunity to present to each other
The Chairman reminded the residents that the purpose of the annual parish meeting is for parishioners to discuss parish affairs with each other - these could be any local issue, activity or subject which specifically affects Farnsfield and which the people of Farnsfield may wish to discuss or debate.
Residents discussed the low turnout of residents at the annual parish meeting, and they shared ideas on how to encourage residents to attend. A suggestion was made that the council could organise an event which incorporates the annual parish meeting but focuses on bringing the village together, promoting village businesses and groups as well as allowing residents to communicate village issues.

The residents also suggested having an opportunity for members of the village to be able to talk to Councillors about their concerns in a more relaxed and open setting
