

## IMPORTANT MESSAGE FROM ST MICHAEL'S CHURCH

Following advice from the Church of England and Government all church services and gatherings have been put on hold until further notice.

But as one of your local churches we are still here to support you and there are a variety of things we are seeking to put into place as a church:

- St Michael's church will remain open during the daytime for private prayer and reflection (please read the notices on the way in).
- We will be praying together every morning at 9am in our homes using the Church of England morning prayer. Do feel free to send any prayer requests (contact details below) and if you want to join us in prayer then download the 'Daily Prayer' app onto your phone or tablet or use this link: <https://www.churchofengland.org/.../join-us-service-daily-pra...>
- We will be using our church Facebook page to post regular prayers / encouragements and links to other resources so please click the link below and 'like' the page to keep updated: [www.facebook.com/farnsfieldstmichaelschurch/](http://www.facebook.com/farnsfieldstmichaelschurch/)
- We will live stream Connect (our After-School Church) on Thursday afternoons at 4pm – click the link below and pressed 'like' to keep updated. [www.facebook.com/Connect-Farnsfield-105478044422353/](http://www.facebook.com/Connect-Farnsfield-105478044422353/)
- We will look at live streaming on Sunday's and/or point people towards other services that are available.
- For those without Facebook we will offer email updates and/or other prayer materials for use in the home.
- We will also seek to provide one-to-one support over the phone to those who are self-isolating and do our best to help people find the practical support they might need.

If you would like to chat at any time or would like to be included on the email or phone list then do contact Chris, the vicar at: [chris.pearse04@gmail.com](mailto:chris.pearse04@gmail.com) / 07505 963759

Thanks very much and take care all, Chris & the Team
