21.12.7 21/02396/S73 – Rustic Crust Pizzeria, Main Street. Application to remove condition 8 of planning permission 19/00208/FUL to allow the takeaway of hot food (19/00208/FUL – change of use of former Coop Retail Store (A1) to Pizza Restaurant, Café Bar (A3 & A4) including interior and exterior alterations and refurbishments, new shopfront and new access door to courtyard)

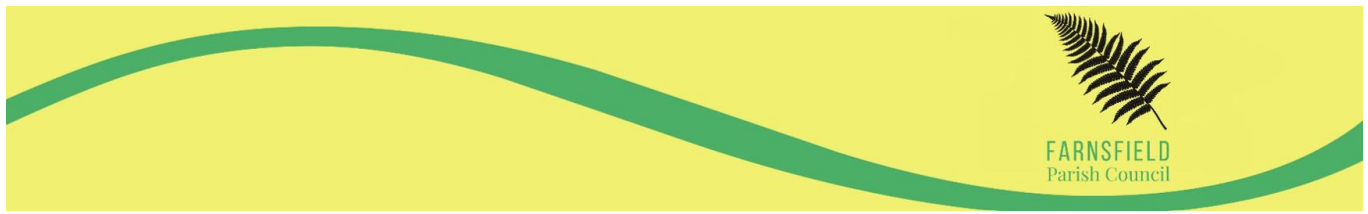

The Council discussed the application. The Council considered that outlined in Farnsfield Neighbourhood plan and did have concern that this application could increase parking and traffic (FNP4 & 5).

Cllr Strawson invited the owner to answer the questions the Committee had regarding parking. The owner explained that they only have a set capacity they can offer because of the capability of the pizza ovens and number of staff they have. The online ordering and takeaway system they have installed can be switch on and off and will only be switched on when they are quiet and therefore can offer takeaway orders. They are not yet up to full capacity for dine in as Covid has affected their custom.

Following on from the questions to the owner the Committee discussed the possibility that the parking and traffic dynamic may change with the restaurant having more takeaway orders, where it may see cars parked for less time than those who are eating in.

The Committee felt that as other premises have permission to offer a takeaway service it is unfair to object to the Rustic Crust doing so.

The Committee resolved to submit a comment that shared the concerns that this application may have on traffic and parking, highlighting the Farnsfield Neighbourhood plan section FNP4&5, and strongly recommending that Highways are consulted in this application. The Committee will also request to NSDC planning that the temporary take away licence be extended. This will allow for the Council to monitor how the takeaway service effects the traffic and parking, as the traffic returns to

“normal” after the Covid Pandemic, before making a decision if this should be a permanent take away premises.
